AN INSPIRED **NEW HOME**

Explore what makes this
collection so unique

We're dedicated to designing and building homes with character that people are proud to live in. Inspired by the past but designed for the future, this collection offers the best of both worlds.

WHAT MAKES THIS COLLECTION SO UNIQUE?

Our aim has always been to build homes of the highest quality, reflecting the craftsmanship and details associated with the Arts and Crafts movement. It's this, combined with the modern, high end interiors we pride ourselves on, that makes this award winning collection so enviable.

Every inch of our homes has been carefully considered, from features such as traditional porches supported by timber posts with gallows brackets to brick plinths that run the whole way round the property. These features add grandeur and depth to the front of the home and provide an anchoring effect.

ENJOY THE AREA

Vale Croft Woods is a development which really does have it all, with its serene character and surroundings never compromising the quality of life on offer. You'll find Tesco supermarket within 3 miles of your new home and a Little Waitrose just under a mile away which is only a 15 minute walk. The nearest post office and pharmacy are a 2 minute and 3 minute drive respectively, while for more all-encompassing retail therapy, the Wellington Centre is just 8 minutes away by car and has a wide range of household name retailers. Similarly, Farnborough gate is only a 10 minute drive away.

Those looking to wine and dine in style will be spoilt for choice. The excellent selection of pubs and restaurants nearby includes elegant Farnborough gastropub the Swan and the upmarket Aviator hotel and brasserie. Farnborough town centre is also home to a rich array of eateries serving cuisines from around the globe.

ENJOY AN ACTIVE LIFESTYLE

Those seeking fun, sport and fitness will find plenty of choice in the area surrounding Vale Croft Woods. The Garrison Sports Centre offers a wide range of indoor and outdoor facilities including basketball, badminton, volleyball, netball and hockey courts, as well as football pitches, cricket nets, rugby and athletics facilities, a gym and swimming pools. Alternatively PureGym and the Village Gym are within easy reach, with the latter also offering a swimming pool. Golfers can enjoy a round or two at the Army Golf Club, Philips Hole or Golf at Frimley Lodge.

Film fans can catch all the latest film releases at Cineworld in Aldershot and Vue in Farnborough, while for family days out, there will be no shortage of options. Thorpe Park and Legoland Windsor are among the theme parks within easy reach of home, while picturesque open green spaces are also in good supply. Elvetham Heath Nature Reserve, Bramshot Farm Country Park and Ash Ranges nature reserve are among the local beauty spots on offer, perfect for walks, bike rides and picnics in the sun.

OPPORTUNITIES FOR LEARNING

Parents will be pleased to find a good selection of schools available for children at all stages of their educational journeys. Some examples of these are; Tower Hill Primary School, Grange Community Junior School and South Farnborough Junior School. All of these schools are within a 10 minute drive of the site and have a rating of 'Outstanding' by Ofsted.

For older students the Sixth Form College Farnborough is rated 'Outstanding' and attracts students from far and wide and there is also Farnborough College of Technology, also rated 'Outstanding'. There is a vast selection of private schools in the area which include Salesian College, St Nicholas' School and St Hilary's School.

OUR REQUIREMENTS AS HOME-BUILDERS

The New Homes Quality Code: Statement of Principles

This **Statement of Principles** (the core principles) sets out the main principles which registered developers agree to follow to benefit their customers.

1. FAIRNESS

Treat customers fairly throughout the buying and after-sales process.

2. SAFETY

Carry out and complete work in line with all regulations and requirements that apply to the new home, as set out by the Government, and have the necessary certificates from an appropriately approved body to show they have done this.

3. QUALITY

Complete all work to a high standard in line with all building and other standards and regulations that apply, as well as to the specification for the new home, and make sure that completion does not take place until the new home is complete (see section 2 of this code).

4. SERVICE

Have in place systems, processes and staff training to meet the customer service requirements of the code, and not use high-pressure selling techniques to influence a customer's decision to buy a new home.

5. RESPONSIVENESS

Have in place a reliable after-sales service and effective complaints procedure to make sure responses to customer queries are clear, thorough and provided in good time.

6. TRANSPARENCY

Provide clear and accurate information about buying the new home, including tenure and any costs the customer may have to pay in the future, such as ground rents and service charges.

7. INDEPENDENCE

Make sure that customers know they should appoint independent legal advisers when buying a new home and that they have the right to ask for an independent pre-completion inspection before completion takes place.

8. INCLUSIVITY

Take steps to identify and provide appropriate support to vulnerable customers and make sure the code is available to all customers, including in appropriate formats and languages.

9. SECURITY

Make sure there are reasonable financial arrangements in place, through insurance or otherwise, to meet all their obligations under the code, including repaying deposits when they are due and any financial awards made by the New Homes Ombudsman Service.

10. COMPLIANCE

Meet the requirements of the code and the New Homes Ombudsman Service.
