AWARD WINNING

WE CALL IT AWARD-WINNING.
YOU CAN CALL IT HOME.

We pride ourselves on making every home we build as loved as possible. So we're delighted and proud to have been awarded a coveted five star rating for customer satisfaction in the Home Builders Federation's prestigious 2021 survey.

ANOTHER AWARD FOR
THE MANTLEPIECE.

We're really proud of our five star customer satisfaction rating, but we've also picked up a range of other prestigious awards too. We were named Housebuilder of the Year 2018 at the Building Awards as well as Housebuilder of the Year at the 2018 WhatHouse? Awards, picking up Gold for Best Large Housebuilder 2018 too.

A CULTURE
OF QUALITY.

We're committed to quality in everything we do and that includes who we employ. Since 2016, Redrow have won 77 Pride in the Job awards. The highest honour a Site Manager can achieve, the NHBC Pride in the Job award recognises those who achieve the highest standards in home building. Redrow's reputation for quality is recognised industry wide.

SUSTAINABILITY

Redrow is committed to creating a better way to live. Three principles guide us in this approach, namely Building Responsibly, Thriving Communities and Valuing People, and these are aligned with the United Nation's Sustainable Development Goals.

As a result, we strive to create safe and considerate working environments, while we work hard to produce places to live which contribute to the well-being of residents. What's more, we invest in our staff, and endeavour to encourage the next generation of housebuilders.

It is not possible for a brochure of this nature to do more than give a general impression of the range, quality and variety of the homes we have on offer. The computer generated imagery is included for guidance only. The properties may vary in terms of elevational designs and details, position and size of the garage / materials used. We operate a policy of continuous product development so there may be material differences between the accommodation depicted in our literature and that on offer on any particular development or at different times during the progress of any development. Maps are not drawn to scale. All internal and external photography of properties depicts previous Redrow developments. Other photographs are of the local area or indicative lifestyle images.
