HERE FOR YOU EVERY STEP OF THE WAY...

As one of the UK's leading housebuilders, one of our main aims is to make your move as enjoyable as possible. That's why we listen carefully and work with you at every step of the way. It's no wonder so many customers choose Redrow time and time again.

Meeting your needs

Whether you're reserving your new home or just about to complete, our Sales Consultant will keep you updated and offer help at each stage. They'll have all the information needed to help you make the right choice about the location and type of home that suits you best.

Welcome to your new home

As soon as your property is complete, our Sales Consultant will invite you to a demonstration of your new Redrow home. You will then be shown all the essentials, including operation of appliances, central heating and the hot water systems, and you'll be able to ask any questions you may have.

You'll also be introduced to your exclusive Redrow Homefile. Inside you'll find everything you need to know about your new home including manuals, warranties for appliances, emergency contact details, NHBC documents and a handy guide to maintaining your home.

Once the day of completion arrives, you will be given your keys and become the owner of your brand new Redrow home.

We're just a phone call away

We're proud to have won many industry awards for excellence, but our most coveted reward is the recognition we receive from our many homeowners. You see, our dedication to you doesn't end when we hand over the keys to your new home. We want you to be our customer for life. At Redrow, we go further to make sure you're happy.

After the first few days, our Site Manager will visit to ask if everything is going smoothly. Then four weeks later, our Sales Consultant will arrange a convenient time for you to meet with the Construction Team who can review any matters of concern. You'll then receive a Customer Satisfaction call after asking for your opinion on everything from the service you received to the design and quality of your home. This helps us to improve our service to you both now and in the future. At other times our Customer Service Team will be there in case you should have any further issues that might require our attention.

So why not take your first step to the home of your dreams?
